"**SUPERB!** Ancient sites? Can these stones speak? With David Nunn, they shout! His direction and informed, insightful commentary make these sites inspiring, challenging and exciting. Our souls are touched as well as our minds. This superb programme makes us reach for our Passport and our Bible! I enthusiastically commend it." **Rt. Rev MICHAEL BAUGHEN** "former Bishop of Chester"

"**OUTSTANDING!** Makes the New Testament as evocative, tantalising and relevant as anything on the Holiday programme. A wonderfully uplifting 'watch,' this fascinating documentary is food for the soul. A joy and a delight!" **NOËL TREDINNICK** - Conductor, composer, broadcaster

"**LIVELY AND INFORMATIVE!** It demonstrates vividly the impact of Paul's preaching of the risen Christ. It greatly enhances the sense of the scale on which Paul operated." **Dr STEPHEN TRAVIS** "former Vice Principal, St John's College, Nottingham"
